Thanks for the opportunity you provided. My son has had a difficult time finding a sport he really likes and he has already told us he's looking forward to golf next summer!

My daughter enjoyed Jeremiah's Junior Golf Programs. It was well organized and lessons were planned according to each level's ability. Her stance and swing improved during the course. I would recommend this class to anyone who is serious about becoming a better golfer.

-Kristy P.

Great experience. Good teachers. Zach will be back next year for the Web.com tour!

-Chris S.

I really liked it because it was fun and I learned about golf. It was fun to play a game of golf on the course.

The Jeremiah's Junior League is a great place to start your child playing the sport of golf. The program does a good job of not only instructing, but blending kids of different ages and skill levels together to make the sport of golf both competitive and fun.

-Ryan N.

Our daughter is looking forward to another season of PGA Jr. League. She enjoyed getting to know other kids that play golf. Jeremiah and staff has been wonderful because they genuinely want junior golfers to learn the sport, but to also have fun playing.

-Junett J.
